Bio-Identical Hormone Replacement Therapy (BHRT) Services and Fees

As an added welcome bonus, you receive a \$50.00 gift card to the Center for Weight Loss Success Nutritional Store at the time of your first 2 bio-identical hormone replacement treatments. (Total - \$100.00 Bonus)

Initial Labs <i>Estrodial and Testosterone testing, as well as thyroid and other pertinent tests required for overall health analysis</i>	\$350
Initial Consult with Dr. Clark <i>One on one meeting with Dr. Clark to discuss lab results and treatment options</i>	\$150
BHRT Treatment/Procedure <i>Insertion of estrogen and/or testosterone bio-identical hormone pellet/pellets</i> <i>Repeat procedures generally every 3-4 months for women and every 4-6 months for men.</i>	Women \$450 Men \$750-850
Follow-Up Labs <i>Test hormone levels 6 weeks post-insertion to ensure patient is in the optimal range</i>	\$130

Labs can also be billed through your insurance. A lab technician from BioReference Laboratories is available on Mondays, Wednesdays and Fridays from 9am-2pm. As with any medical service, questions or issues concerning coverage or medical billing may arise. If you have any questions about your BioReference lab bill, please call Melissa at (804) 337-3538.
